Don't miss the EARN January Meeting!

Dan Matyja WA6PZB

Now that we have a great monthly meeting place come to the first meeting of 2010 and hear how the DXpedition to Midway Island that was nearly called off due to plane troubles but was able to make over 61,000 QSOs. Charlie W6KK EARN member and DXpeditioner will be our special presenter on January 6th, 2010 at 6 PM.

EARN Activities Calendar

Dan WA6PZB

Our two most successful events in the past two years have been Field Day and the Summer BBQ. We would like to plan a few more events throughout the year to look forward to and to

give other members a chance to participate in an event. If you have event ideas or want to sponsor an event please bring it up as a club business item in our monthly meeting or EMAIL or call us.

A Message from our President

David KE6WYM

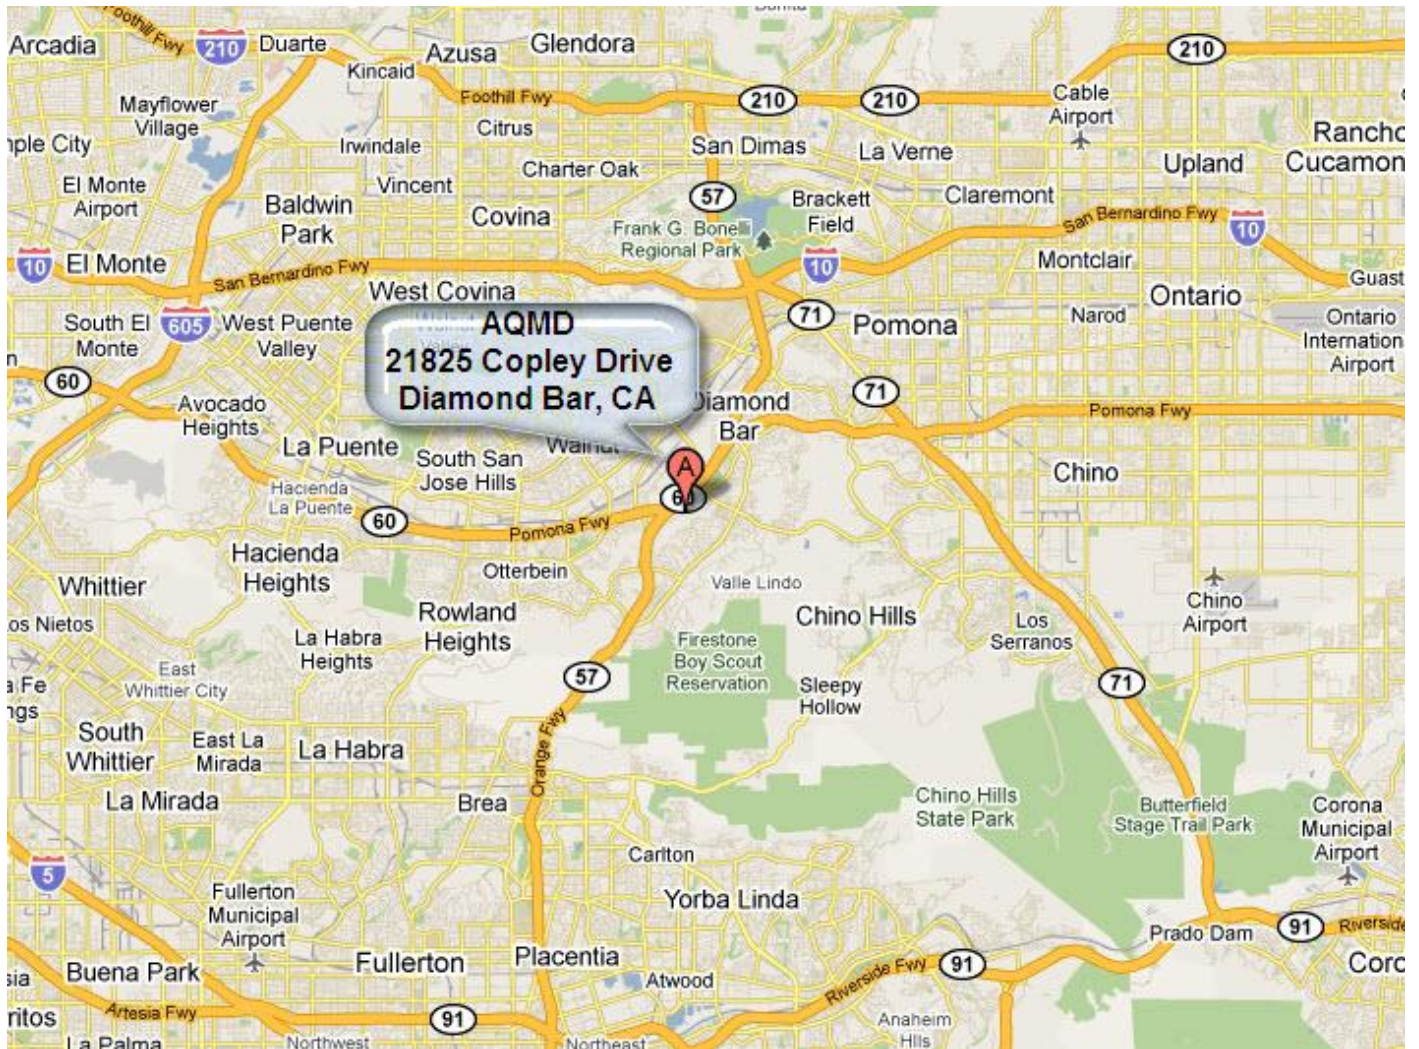

We have a new meeting place in Diamond Bar! This is a great place for discussing our club business with room for 30 people. For those that can't make the drive we have a conference phone available. I will send out the phone number on request for those that would like to join in from a remote location. Also if you know anyone who would like to give a talk on anything radio or communication related, this is a great place for that also. We already have a few ideas in the works. So come on and join us. The place is at the AQMD building in Diamond Bar, 21825 Copley Drive.

Here is the map to our new meeting place in Diamond Bar...

Enter the AQMD facility from Copley Drive and part near the entrance as indicated below. The lot is usually clearing out by 6 PM and there should be plenty of parking close to the front door.
